

Help The Food Chain raise £10,000 by joining Dine and Give

By asking diners to add a £1 donation to their bill you could help support a charity working in your community to provide meals for people living with HIV

How it works:

- Receive 1,000 business cards with your logo and contact details (explaining how the scheme works to your diners)
 - Receive promotion through our website
- Keep a log of donations and after a month send us the amount
...all at no cost to you

About The Food Chain

Every year The Food Chain delivers over 33,000 meals and 1,100 food hampers to the most vulnerable people living with HIV in London. We also offer tailored nutrition and cookery classes. All of our services are delivered free of charge. We rely on public donations and over 800 volunteers to provide our vital food delivery services.
