

Volunteer Awards 2009

This year marks our 21st Birthday. We estimate that our volunteers have donated over 1.5 million volunteer hours to deliver 400,000 since 1988. Thank you.

Whilst we appreciate all of your efforts (The Food Chain wouldn't exist without you) every now and then we hear stories of exceptional circumstances where volunteers have gone above and beyond the call of duty. You might know a volunteer who has gone that extra mile to support our service users, deliver our services, help fellow volunteers or advocated on behalf of the work we do. Now's your chance to help give them the recognition they deserve!

The awards will be presented to the winners at our Volunteer Party on Thursday 19 March.

Please use this form to enter details of volunteers who you think deserve to be recognised - if you think there's a special award category or prize they should receive - let us know what it is too!
